

The New Carts Are Coming!

Each New Cart will Feature:

- Programmable 48-Volt AC Drive System
- Dash mounted direction selector switch (Forward-Neutral-Reverse)
- Descent speed control and automatic hill hold
- Full-time regenerative braking with Automatic parking brake system

With the new carts will come a new price structure which will be effective as of October 15th, 2011

	<u>Old Price</u>	<u>New Price</u>
9 Hole Cart Fee	\$7	\$8 (two riders per cart/each rider pays \$8)
9 Hole Single Rider Cart	\$8	\$10
18 Hole Cart Fee	\$12	\$15 (two riders per cart/each rider pays \$15)
18 Hole Single Rider Cart	\$14	\$18

*All players will be paired up so there are only 2 carts per group. If you would like to pay the single rider fee you can but the other single rider will have to pay the single rider fee as well.

*The new Handicap (Blue Flag) procedures start October 15th, 2011. Patrons requiring a Blue Flag will be asked to fill out an Application and provide proper documentation.
